TOTAL _____

***There is a minimum order of 25 fish per species except for species marked with a ***, which are sold in quantities of 100**

- Please bring an adequately sized container for your order. An Additional charge of \$2.00 per bag of fish (including added oxygen) applies. Generally, each order of 25 trout, catfish, or bass, or order of minnows will require an individual bag.

PLEASE SEE REVERSE

Although rare, I understand that a seasonal shortage of a species may occur at the hatchery and sizes are based on seasonal availability. I realize the Otsego County Soil & Water Conservation District is **NOT** responsible for loss of fish occurring during transport to pond by owner.

- **Attention!** **New York State Fish and Wildlife Laws require that you first secure a Farm Fish Pond Permit before stocking any species of fish in your pond.** Permit applications are available from Otsego County SWCD, our website www.otsegocountysoilandwater.com, or from the Stamford DEC office, free of charge.
- Applications should be returned to the DEC as soon as possible. Please bring the permit when arriving for fish pick up.
- The fisheries division at the Stamford DEC office can be reached at **(607) 652-7366**. Please allow approximately 2 weeks for permit approval.
